Section I. Core Comprehensive Behavioral Health Service Elements

National Health Service Corps-approved Comprehensive Primary Behavioral Health Service sites must upload documentation demonstrating that Core Comprehensive Behavioral Health Services are provided on-site. Core service elements *must* be provided on-site; these services cannot be offered innetwork, through referral, affiliation, or contract.

Service	Check the box and upload supporting documentation for each Core service provided on-site
1. Screening and Assessment: Screening is the practice of determining the presence of risk factors, early behaviors, and biomarkers which enables early identification of behavioral health disorders (e.g., warning signs for suicide, substance abuse, depression) and early access to care. Assessment is a structured clinical examination that analyzes patient bio-psych-social information to evaluate a behavioral health complaint.	
2. Treatment Plan: A <i>Treatment Plan is a</i> formalized, written document that details a pa-tient's current clinical symptoms, diagnosis, and outlines the therapeutic strat-egies and goals that will assist the patient in reducing clinical symptoms and overcoming his or her behavioral health issues. The plan also identifies, where indicated, clinical care needs and treatment(s) to be provided by affiliated health and behavioral health care providers and settings.	
3. Care Coordination: Care Coordination is the practice of navigating and integrating the efforts primary care, specialty health care and social service providers to support a patient's health, wellness, and independence.	

Section II. Additional Comprehensive Behavioral Health Service Elements (Non-Core Elements)

National Health Service Corps-approved Comprehensive Primary Behavioral/Mental Health Service sites must upload documentation demonstrating patient access to non-core service elements, which may be provided on-site, in-network, through referral, affiliation, or contract. Acceptable documentation includes: affiliation agreements; memorandums of understanding/agreement; contracts; letters of referral; letters of support/commitment; or referral and follow-up policy.

Public Burden Statement: The purpose of this information collection is to obtain information through the National Health Service Corps Loan Repayment Program that is used to assess a Loan Repayment Program applicant's eligibility and qualifications for the Loan Repayment Program, or for NHSC Site Application and Recertification purposes. Clinicians interested in participating in the National Health Service Corps Loan Repayment Program must submit an application to the National Health Service Corps. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0127 and it is valid until 03/31/2026.
