

INTERESTED IN A HEALTH CARE CAREER YOU'LL NEVER FORGET?

Join the 45,000 National Health Service Corps (NHSC) primary care medical, dental, and mental and behavioral health providers who bring quality health care where it is most needed. You will also receive financial and other benefits to support this important and rewarding work. NHSC benefits include:

- The opportunity to **pay off all of your student loan debt** through the NHSC Loan Repayment Program, which starts with up to \$50,000 in loan repayment for a 2-year service commitment
- Access to **helpful resources, training and networking opportunities**
- For students, the opportunity to receive tax-free **payment of tuition, required fees, and other education costs**, through the NHSC Scholarship Program
- A **community** of providers with a shared desire to serve patients with limited access to health care
