The Brevard Health Alliance, Inc. is an organization of FQHC's in Brevard County, FL dedicated to providing healthcare to the medically needy and underserved populations. We are looking for Advanced Registered Nurse Practitioners and MD/DO Physicians in the following specialties: Internal Medicine, Family Medicine, and Pediatrics. Providers will be responsible for providing direct patient care and overseeing the delivery of medical care. Providers will participate in Quality Improvement, utilization and risk management programs. They will also serve as liaisons to the medical community at large. Ideal candidates should be committed to community outreach and the BHA Mission. We offer competitive compensation, outstanding benefits and CME Reimbursement. Our sites are located in the following areas across Brevard County, Florida (Melbourne, Rockledge, Palm Bay, and Titusville).
