Quality of Life Health Services, Inc., a Community Health Center with 18 locations spread throughout northeastern Alabama, is seeking additional physicians and nurse practitioners to staff rural practice locations in (Cherokee County/Cullman County/DeKalb County/Blount County/Talladega County and Marshall County).

Physicians must be Board Certified/Board Eligible (BC/BE) and currently licensed with no restrictions. Recruited physicians have no hospital coverage; phone call coverage is once every five weeks. Nurse Practitioners must be Board Certified by the ANCC or AANP; currently licensed.

Full-time Physicians and Nurse Practitioners have full benefits which include: health and dental coverage, malpractice insurance; life and disability insurance; paid vacation time; paid sick leave; Continuing Medical Education (CME); CME Allowance; 10 paid holidays and relocation reimbursement with a minimum 3-year contract. All locations in the Quality of Life network utilize an Electronic Medical Record (EMR) system, so applicants must have experience working in an EMR system.
