Support & Resources – Approved Sites

NHSC-Approved Sites

- NHSC clinicians serve at approved sites throughout the nation.
- NHSC-approved sites are outpatient facilities providing primary care medical, dental, and/or mental and behavioral health services.
- The facility may be located in a rural, urban or tribal community.
- To apply to become an NHSC site, the facility must be an [eligible site type](#) and meet applicable requirements.
- The application for sites to become NHSC approved opens in late spring. Eligible sites are strongly encouraged to apply.
