

National Health Service Corps Rural Community Loan Repayment Program

Program Description	The National Health Service Corps (NHSC) Rural Community Loan Repayment Program (LRP) supports clinicians working to combat the opioid epidemic in the nation's rural communities. The NHSC Rural Community LRP makes loan repayment awards in coordination with the Rural Communities Opioid Response Program (RCORP) within the Federal Office of Rural Health Policy (FORHP) to provide evidence-based substance use disorder (SUD) treatment, assist in recovery, and to prevent overdose deaths in rural communities across the nation.
